

Directions

Main Hospital at Bunstead Barns

Main Hospital address:

The Granary, Bunstead Barns, Poles Lane,
Hursley, Winchester, Hampshire, SO21 2LL

We are readily accessible from junctions 11 and
12 of the M3.

With clear roads we are...

Around 10-15 minutes from Winchester & Romsey.
Around 25-35 minutes from Basingstoke, Ringwood
& Portsmouth.

Around 40-45 minutes from Salisbury, Newbury &
the M25.

1. Travelling north-bound on the M3

Take exit 12 signposted Eastleigh and Chandlers Ford

At the top of the slip road turn right at the roundabout signposted Eastleigh, Chandlers Ford and Otterbourne to cross back over the motorway

At the next roundabout take the first exit (left) signposted Chandlers Ford and Station (Winchester Road)

At the next roundabout take the second exit (turning right) signposted Otterbourne (Otterbourne Hill)

Drive straight on through Otterbourne for one mile, passing the church and a Budgens

Just after the Budgens, at a mini roundabout, turn left onto Poles Lane

Follow Poles Lane out into the countryside for 2.1 miles, passing a golf course on your left and at the fourth set of chevrons on a left hand bend, is a sign on the left for Bunstead Barns (directly opposite a right turn: Bunstead Lane)

Turn into the Barns and follow signs to parking and reception

2. Travelling south-bound on the M3

Take exit 11 for Winchester (south)

At the end of the slip road, at traffic lights, turn right and go under the motorway. At the second set of traffic lights turn left. At the first roundabout take the second exit (right) towards Winchester.

At the second, larger, roundabout take the first exit (turning sharp left) signposted Compton, Shawford, Otterbourne (Otterbourne Rd)

Drive straight on towards Otterbourne for 2 miles

At a mini roundabout, turn right towards Hursley, Romsey and Otterbourne Golf Course; this is Poles Lane, and takes you back underneath the motorway

Follow Poles Lane out into the countryside for 2.1 miles, passing a golf course on your left and at the fourth set of chevrons on a left hand bend, is a sign on the left for Bunstead Barns (directly opposite a right turn: Bunstead Lane)

Turn into the Barns and follow signs to parking and reception

4. Travelling south-bound on the A34 (from Newbury)

Take the A34 south to Winchester where you pick up the M3 at junction 9

Head south on the M3, come off at junction 11 and follow the directions as above (2)

6. From Winchester

Either leave the north side of Winchester on the M3 and head south towards junction 11 or leave Winchester via the St. Cross Road (B3355) towards Otterbourne, and pick up the directions as per (2) above

Alternatively, leave Winchester on the Romsey Road (B3040) and at the Pitt roundabout head towards Hursley and Romsey on the A3090 (2nd exit). Go through Hursley and just after the village, at the traffic lights, turn left into Poles Lane. After 0.4 miles, Bunstead Barns are on the right, immediately opposite Bunstead Lane (on the left). Turn into the Barns and follow signs to parking and reception.

Public Transport

Details available on our website.

3. Travelling from the west, via Romsey

Take the A3090 to Ampfield, Hursley and Winchester

Pass through Ampfield and carry on toward Hursley

Poles Lane is on the right signposted to Otterbourne just before you enter the village, at a large junction with traffic lights (function at peak times only)

Travel down Poles Lane for 0.4 miles and Bunstead Barns are on the right side on a right hand bend in the road at the second set of chevrons, immediately opposite Bunstead Lane on the left.

Turn into the Barns and follow signs to parking and reception

5. From Salisbury

Take the A36 heading southeast towards Southampton

Just before reaching the M27, at a large roundabout, take a left onto the A3090 towards Romsey

Continue onto this road into Romsey (for one section it becomes the A27) until you reach a roundabout with the Romsey Rapids signposted right. Turn left onto Southampton Road and then after a short distance turn right at a mini roundabout onto the A3090 (Winchester Road).

Follow this road out of Romsey towards Hursley and Winchester and follow the directions as above (3)

1. Travelling north-bound on the M3

Take exit 12 signposted Eastleigh and Chandlers Ford

At the top of the slip road turn right at the roundabout signposted Eastleigh, Chandlers Ford and Otterbourne to cross back over the motorway

At the next roundabout take the first exit (left) signposted Chandlers Ford and Station (Winchester Road)

At the next roundabout take the first exit signposted Chandlers Ford and Station

At the next roundabout take the 2nd exit onto Hocombe Road

After approximately 1.7 miles, you will reach the crossroads, go straight and continue on to Hook Road for 1 mile

At the end of Hook Road, turn left on to the A3090

Continue for approximately 0.3 miles. The Feline Hyperthyroid Clinic will be on the left

2. Travelling south-bound on the M3

Take exit 11 for Winchester (south)

At the end of the slip road, at traffic lights, turn right and go under the motorway. At the second set of traffic lights turn left. At the first roundabout take the second exit (right) towards Winchester.

At the second, larger, roundabout take the first exit (turning sharp left) signposted Compton, Shawford, Otterbourne (Otterbourne Rd)

Drive straight on towards Otterbourne for 2 miles

At a mini roundabout, turn right towards Hursley, Romsey and Otterbourne Golf Course; this is Poles Lane, and takes you back underneath the motorway

Follow Poles Lane out into the countryside for 2.3 miles

Turn left at the end of Poles Lane onto the A3090

Continue for approximately 1.1 miles. The Feline Hyperthyroid Clinic will be on the right

3. Travelling from the west, via Romsey

Take the A3090 to Ampfield, Hursley and Winchester

Pass through Ampfield and carry on toward Hursley for approximately 1.1 miles

The Feline Hyperthyroid Clinic will be on the left

4. Travelling south-bound on the A34 (from Newbury)

Take the A34 south to Winchester where you pick up the M3 at junction 9

Head south on the M3, come off at junction 11 and follow the directions as above (2)

5. From Salisbury

Take the A36 heading southeast towards Southampton

Just before reaching the M27, at a large roundabout, take a left onto the A3090 towards Romsey

Continue onto this road into Romsey (for one section it becomes the A27) until you reach a roundabout with the Romsey Rapids signposted right. Turn left onto Southampton Road and then after a short distance turn right at a mini roundabout onto the A3090 (Winchester Road).

Follow this road out of Romsey towards Hursley and Winchester and follow the directions as above (3)

6. From Winchester

Either leave the north side of Winchester on the M3 and head south towards junction 11 or leave Winchester via the St. Cross Road (B3355) towards Otterbourne, and pick up the directions as per (2) above

Alternatively, leave Winchester on the Romsey Road (B3040) and at the Pitt roundabout head towards Hursley and Romsey on the A3090 (2nd exit). Go through Hursley and continue on the A3090 for approximately 1.1 miles.

The Feline Hyperthyroid Clinic will be on the right
