Our Neurology and Neurosurgery team comprises internationally recognised Specialists, Residents, a discipline-specific Intern and dedicated nurses. It offers specialist-led investigations and treatment for a wide range of medical neurology and neurosurgical procedures, both routine and urgent. To support a smooth referral process, and for transparency of costs for your clients, we now have fixed price packages for acute disc disease and epilepsy investigation.

The all-inclusive prices for spinal surgeries below include the initial consultation, general anaesthesia, an MRI scan of one spinal region, decompressive spinal surgery, up to three days in the hospital, and urinary bladder management. The prices also include a discharge with a qualified Veterinary Physiotherapist (subject to availability at the time of discharge). Prices do not include preoperative blood tests, dispensed medications/collars, or additional charges related to other health issues/complications.

The additional cost for out-of-hours (evening or weekend) surgeries is £1,250 inc. VAT.

All prices below are inc. VAT.

Hemilaminectomy or ventral slot surgery <20kg	£5,750
Hemilaminectomy or ventral slot surgery 20-40kg	£6,500
Hemilaminectomy or ventral slot surgery >40kg	£7,000
Epilepsy investigation	£3,500
